Re: Monthly quality gap reports/attribution cc:	

You have new monthly reports available on the IPN Portal. To access your reports log into the IPN portal located at IPN-wi.com- log in as a provider or practice manager-click reports

If you have issues logging into your secure reports, please contact Michelle Douglas at 414-771-6177 Ext 141

You may download the free excel reader to assist with your reports if you do not have the Excel program.
 Areas of focus

- Patients that need an Annual Visit- sort the reports by last PCP, AWW, ACV visit to create a list of members that need that annual visit. These visits allow closure of quality gaps and improve annual coding of chronic conditions.
- Sort reports by quality metric gaps- for instance sort the mammogram column to create a list of members that need their mammogram.
- Focus on closing diabetic measures, and medication adherence measures, like the Statin with Diabetes or cardiovascular measures.

Get that list to the appropriate team member to call the patients, schedule the test, schedule a visit!

Do you have documentation that shows that member has had that test or has been in the clinic and completed a compliant blood pressure, or you have the lab report or test result from 2024, send it over to IPN via fax at 414-253-9100. We will assist in submitting this over to the health plan and closing the gap.

If you have any questions, please reach out to Christine at 414-771-6177 Ext 124 or cthompson@ipn-wi.com.
