Important Warning: This message is intended only for the use of the person or entity to which it is addressed and may contain information that is confidential, the disclosure of which is governed by applicable Federal regulations (45 CFR Parts 160, 162 & 164, 42 CFR Part 2). In particular, you are prohibited from making further disclosure of any information included herein covered under the requirements specified in 42 CFR Part 2, unless further disclosure is expressly permitted by the written consent of the person to whom it pertains or is otherwise permitted by regulation. A general authorization for the release of medical or other information is not sufficient for this purpose. The Federal regulations also restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse client. If you are not the intended recipient, or the employee or agent responsible to deliver it to the intended recipient, the disclosure, copying or distribution of this information is strictly prohibited. If you received this message in error, please contact Advocates Chief Compliance Officer at: CCO@advocatesinc.org or (508) 628-6300. Thank you.

Right click the gray portion above the meeting, select "Customize Ribbon".

Select this drop down arrow and click "All Commands" then look for "New Scheduling Poll".

The screenshot displays a Windows 11 desktop environment. The Start menu is open, showing a grid of application icons including Microsoft Edge, Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Microsoft Teams, and various utility applications. Below the grid, a list of recently used files is visible, including documents like '12345678901.docx' and '12345678902.docx'. The taskbar at the bottom features the search bar, task view button, and several pinned application icons. The system tray on the right shows the date and time as 12:51 AM on 8/27/2024.

This screenshot shows the bottom portion of the Windows 11 desktop, focusing on the taskbar and system tray. The taskbar includes the search bar, task view button, and several pinned application icons. The system tray on the right displays the date and time as 12:51 AM on 8/27/2024.
