Re: Unauthorized Credit Inquiry

Dear \$account_name,

I recently received a copy of my Experian, TransUnion, Equifax credit report. The credit report showed a credit inquiry by your company that I do not recall authorizing. I understand that you shouldn't be allowed to put an inquiry on my file unless I have authorized it. Please have this inquiry removed from my credit file because it is making it very difficult for me to acquire credit.

I have verification via fax that you have received this letter. Please be so kind as to forward me documentation that you have had the unauthorized inquiry removed. If you find that I am remiss, and you did have my authorization to inquire into my credit report, then please send me proof of this.

Thanking you in advance,
