

After sending your fax, wait a minute or two, then refresh this page for it to appear on this page below. During this time our system processes your fax for display.

- **4. Review your received fax**

Once your fax appears on the page, check it, noting the orientation, quality, masked sender number and your sender ID.

- **5. Troubleshoot**

If your fax doesn't appear after a few minutes, review your fax settings, ensuring everything is configured correctly, and try again.

Thank you!

Best Regards,
