

# ATA 402 Test

**Important! Please check for software updates.**

Thank you for purchasing the Polycom® RealPresence Trio™ 8800, the world's first smart hub for group collaboration. Polycom frequently provides software updates with new features, and recommends that you keep the software updated on your RealPresence Trio solution for the best performance and experience.

For the latest software and details on the update procedure, go to <http://support.polycom.com/voice>.
