July 9, 2024

Dear Evan:

Tasha Richmond has provided you with a membership in the Legal Directives College Student Protection Program. The attached Emergency Medical Information Card should be kept in your wallet near your health insurance card. Also, please attach one of the enclosed notification stickers on your driver's license, as this will notify doctors, hospitals, and emergency medical responders that you have an Emergency Medical Information Card in your wallet.

By carrying the card in your wallet, doctors, hospitals, and emergency medical responders will have 24 hour a day access to your important health care directives and emergency healthcare information. In the event that your emergency information is requested, in addition to providing the healthcare directives, we will also send an e-mail notification to your emergency contacts alerting them that your healthcare directives have been requested.

Please take a minute and use the Member ID # and PIN on the front of your card to access your account at www.legaldirectives.com. Once inside your account, please take a minute and review the details of your account. You can make changes to your account information at any time.

Near the end of your membership term, Tasha Richmond will receive a renewal notice allowing them to renew your membership for an additional term of years.

If we can be of further service to you, please contact our member support department at 1-866-363-4894.

Sincerely,

Thomas J. Ahrens, President
