Re: N/A-ACCT000021

As you probably are aware, the Fair Credit Billing Act limits the furnishing of disputed information on open-end accounts. My assumption is that you were aware of the IDENTITY THEFT on this card (N/A-ACCT000021) .The information you are recording is inaccurate! Please REMOVE from my report! My assumption is that you have it noted that I indicated that the statement contains a billing error. I am challenging the accuracy of this information. I have acted in good faith and I know as a consumer that you are not acting in good faith under the Fair Credit Billing Act & Truth in Lending. Therefore, please correct this problem ASAP. Please promptly report back to me with corrected information in addition to the credit bureaus.

Thank you,
