Aug 2023: Need to send a fax? We've moved this capability to

📢 **faxbeep.com**

Test Your Fax Machine with the Faxbeep Fax Test Service

Use this simple & free fax tester to verify your fax machine's ability to send faxes. We provide a free test fax number to which you can send a test fax and have it appear online.

Need to quickly check your fax machine by faxing to a test number? We've got you covered. We have numbers in the US and the UK for you to test with. Send a fax to one of these numbers, and it will appear on this page below within seconds.

Our user-friendly Fax Test Service is a reliable and convenient way to ensure your fax machine or multifunction printer is functioning correctly. Give it a try now!
