

HP OfficeJet Pro 8740 All-in-One series

Get started

1. Follow the illustrations on the setup flyer to set up your printer.

When prompted on the printer display, select one of the **Printer Setup Environment** options:

- **Self-Managed** (Complete, guided setup of the printer)
- **IT Managed** (Advanced configuration and setup for IT administrators)

2. Connect your printer and continue printer setup online.

- If you selected **Self-Managed**, visit 123.hp.com/setup to launch setup software or app for your computer or mobile device.

Note: Windows® users without an Internet connection can also use the HP printer software CD to continue printer setup.

- If you selected **IT-Managed**, visit hp.com/go/upd to download and install HP Universal Print Driver.

3. Create an account or register your printer and install software to finish printer setup.

Learn more

Electronic Help: Install the electronic Help by selecting it from the recommended software during software installation. Learn about product features, printing, troubleshooting, and support. Find notices, environmental, and regulatory information, including the European Union Regulatory Notice and compliance statements, in the Technical Information section. 

- Windows® 10: Click the Start icon, select **All apps**, select the printer name, click **Help**, and then select **Search HP Help**.
- Windows® 8.1: Click the down arrow in lower left corner of the Start screen, select the printer name, click **Help**, and then select **Search HP Help**.
- Windows® 8: On the **Start** screen, right-click an empty area on the screen, click **All Apps** on the app bar, click the icon with the printer's name, and then click **Help**.
- Windows® 7, Windows Vista®, and Windows® XP: Click **Start**, select **All Programs**, select **HP**, and then select the printer name.
- OS X Yosemite v10.10: Click **Help** > **Mac Help**. In the Help Viewer, enter your printer name in the search field and press **Enter**.
- OS X Mavericks v10.9: Click **Help** > **Help Center**. In the Help Viewer, click **Help for all your apps**, and then click the Help for your printer.

Readme: Contains HP support information, operating system requirements, and recent printer updates.

- Windows: Insert the software CD in your computer, and then browse to the **ReadMe.chm** file. Double-click **ReadMe.chm** to open, and then select the **ReadMe** in your language.
