RE: CHRYSLER FINANCIAL- ACCT000024

To whom it may concern:

It appears as though you are reporting the following account (CHRYSLER FINANCIAL- ACCT000024) on my credit report. Kindly provide documentation upon which you relied when reporting the aforementioned account to the credit bureaus, including any documentation that will validate the information contained therein (including but not limited to the status, balance, and last date of activity).

If you cannot provide supporting documentation that verifies that information as it is currently being reported, I respectfully request that you instruct the credit bureaus to remove that unverifiable information from my credit report.

Thank you very much for your time and attention to this matter.
