Dear Milan,

As a service to our clients, we provide a copy of each client's signed legal health care directives to their physician. Your patient, Imani Mitchell, has instructed us to provide a copy to you of their important legal health care documents.

Please maintain the documents in Imani Mitchell file. If you have any questions, or if I can be of further service, please do not hesitate to contact my office at 146-787-7689.

Sincerely

Abra Sullivan

Dear Bryan:

Ford Law Firm has renewed your membership in the Legal Directives Medical Access Program. The attached Emergency Medical Information Card should be kept in your wallet near your health insurance card. Also, please attach one of the notification stickers, on the bottom of this letter, to your driver's license. This will notify doctors, hospitals, and emergency medical responders that you have an Emergency Medical Information Card in your wallet.

By carrying the card in your wallet, doctors, hospitals, and emergency medical responders will have 24 hour a day access to your important health care directives and emergency healthcare information.

Please take a minute and login to your account at [www.legaldirectives.com](http://www.legaldirectives.com) to review your account and make any changes to your personal information. The login Member Number and PIN are located on the front of your membership card.

Near the end of your membership term Ford Law Firm will receive a renewal notice allowing them to renew your membership for an additional term of years.

If we can be of further service to you, please contact our member support department at 1-866-363-4894.

Sincerely,

Thomas J. Ahrens, President
