

Dear Recipient,

Allow me to draw your attention to an important and concerning issue. At this moment, thousands of children and citizens of Ukraine are left without shelter, facing incredible hardships due to the conflict with Russia. We urge you to support the **"Solidarity with Ukraine Foundation"** (<https://solidarity.org.ua/en/>), which aids these individuals in their distress. By forgoing a cup of coffee today, you can change someone's tomorrow.

Warm regards,

President of the
Solidarity with
Ukraine Foundation

Danylo Kotenko
