---

Dear Milan,

As a service to our clients, we provide a copy of each client's signed legal health care directives to their physician. Your patient, Griffin Cameron, has instructed us to provide a copy to you of their important legal health care documents.

Please maintain the documents in Griffin Cameron file. If you have any questions, or if I can be of further service, please do not hesitate to contact my office at 110-452-9463.

Sincerely

Megan Bates

Bryan Adams

Matthews, NC 22134

5/1/2024

Dear Bryan:

Thank you for renewing your Legal Directives membership. The attached Emergency Medical Information Card should be kept in your wallet near your health insurance card. Also, please attach one of the notification stickers, on the bottom of this letter, to your driver's license. This will notify doctors, hospitals, and emergency medical responders that you have an Emergency Medical Information Card in your wallet.

By carrying the card in your wallet, doctors, hospitals, and emergency medical responders will have 24 hour a day access to your important health care directives and emergency healthcare information.

Please take a minute and login to your account at [www.legaldirectives.com](http://www.legaldirectives.com) to review your account and make any changes to your personal information. The login Member Number and PIN are located on the front of your membership card.

Near the end of your membership term you will receive a renewal notice in the mail and via email allowing you to renew your membership for an additional term of years.

If we can be of further service to you, please contact our member support department at 1-866-363-4894.

Sincerely,

Thomas J. Ahrens, President
